Do you want to have your ship or your ship's activities featured in the next newsletter? Just send a writeup of what's happening or the word you need to get out, and we'll get that added into the next edition!

Let's get those stories in, and make this the must-read newsletter for everything Gryphon Fleet!

## DCO's Note

Saving the heavier stuff for 2019 seems to be the order of the day.

So, by the time you see this, we will be hip-deep in the holiday season. Thanksgiving will have passed, and Christmas is around the corner. At least Christmas won't ambush you like Thanksgiving did this year.

I want to take a moment to thank everyone in the Fleet for their efforts and work in what has been a rough year for many in TRMN.

I am writing this the day after the bombshell Akers report was released, and it struck me that this is the third well-known, high ranking (either socially or officially) leader that has been lost to us this year. Former SCMPCON Tom Coonradt and outgoing First Space Lord John Roberts were lost to resignations, and then Scott Akers was removed from membership.

When a lot of changes of this magnitude happen, it is normal to be a bit stunned. I know I am. I hope those closer to these situations can find someone to speak to, or some form of outlet for their feelings.

I encourage seeking fellow members. After all, we all are impacted by this - in one way or another - and it is easier to talk to someone who doesn't need all the background.

As always, talk to each other, in person when possible. It may be a bit old of me, but I really do believe that we are built for in-person communication, and that it is always better than electronic communication.

And while this is serious, I also want to focus on the positive as much as possible. We, all of us, have the opportunity to choose how we see things. And while the above are indeed challenges, and we will each have our own takes on them, they are also an opportunity to

## Intercessor's List

If you'd like to add to the List, please go to <https://gryphonfleet.org/intercessors-list-submission/>. It's as anonymous as you want it to be, and it will be shared in the next newsletter.

Two of our fleet's skippers are fighting cancer right now:

- CAPTJG Kevin Johnson, HMS Sabrepik
- LCDR Sean O'Leary, HMS Gawain

From HMS Demon: A friend whose father is on chemo for a third, separate, cancer.

The image shows a screenshot of a web form titled "INTERCESSOR'S LIST" on a dark background. Above the title is a navigation bar with links: HOME, TASK FORCE 21, TASK FORCE 22, a Gryphon Fleet logo, CHAPTER FINDER, ORDERS, and CONTACT US. The form itself has a light gray background and includes a "Request Type" dropdown menu, a "Name (optional)" text field, an "Email Address (optional)" text field, and a large "Message" text area. At the bottom right of the form is a "Submit" button. A small "3 of 5" indicator is visible near the bottom right of the form area.

## Charity Tracking

Remember to send in any charity giving or activity - through TRMN or not - to our Charity Tracking Officer, Lieutenant Commander David Oliver Kling ([intel@2ndfleet.trmn.org](mailto:intel@2ndfleet.trmn.org)).

We are wanting to get a good picture of how we, as a group, are involved in charity work. This is compiled and sent upwards.

It isn't just money - we want to know if you volunteer your time too! Let us know, and we can even promote your charity here, helping get the word out to a wider audience!

# DCO's Note, cont.

---

reflect on how we approach the world.

My natural tendency is to see the negative. I fight it constantly, seeking to find something positive in even the darkest outcomes.

Why? Because there is enough negativity in the world. I don't need to add to it any more than I am required to. And if I can help be a light to someone, then I feel I have a duty to do just that.

This is not a Pollyanna thing - I see the bad and the good, it is just that, given the choice, I will attempt to see the good when it's there to be seen (or uncovered, since it hides sometimes).

I also think, in this space, that it matters that we represent a hopeful future. We are not the darkness of Warhammer 40,000, or the dark utopia of Star Trek, our fandom's future is closer to what might become real. A future with real problems, and real conflicts. It is also optimistic in tone - much of what we deal with is long overcome, and viewed in much the same way we might view the belief that Ammit will devour the hearts of the unworthy.

I, and hopefully we, see hope in that future, and I think we owe it to ourselves to project that hope into the reality around us.

That said, I hope everyone had a good Thanksgiving, and that as we enter the rest of the winter holiday season, yours is as good, healthy, and positive as you want it to be.

I'll be back next year, maybe with some of those 'deep' columns I keep teasing!
