

THE GRYPHON'S BEAK

The Official Second Fleet Newsletter

Vol 2 Number 5

Flag Sends

Dear friends who make up mighty Gryphon Fleet,

For the past several years it has been my privilege to serve as commanding officer of Second Fleet, where it has been my goal to bring the opportunity for TRMN fun to as many people as possible throughout this seven state area.

It is you, the membership, who make this possible. Our "ships" are made not from battle-steel, but rather from the enthusiasm of our members and the friendships that they form within the club. This network of relationships has made our fleet "Second to None," and that brings me a great deal of satisfaction. It is also extremely gratifying to have such a capable deputy and to know that the command will be in good hands when I move on, and as such I am very thankful for CDRE Strayer's work over the past year.

As of 1 June I will be stepping down, and the First Space Lord has informed me that she will be pleased to appoint Commodore Sir Geoffrey Strayer to the billet of Commanding Officer, Second (Gryphon) Fleet.

This was my own initiative. My feeling is that a periodic change of leadership is beneficial to the organization, just as in the canon, where RMN doctrine is to rotate flag officers every few years between line command assignments and planetside duties. CDRE Strayer has already brought us great innovations, such as the newsletter you are now reading. Promoting him to the command position will give him the opportunity to implement even more ideas and bring new energy to the fleet. I look forward to his time on the Flag Bridge as a second-stage booster that will propel us to surpass our existing level of excellence.

Without my RMN billet, I will be giving more time to my House of Lords and College of Arms duties and my role as Regimental Colonel of the Westmarch Rifles. However, I am still with you! I will remain active in the club, both online and participating at in-person events. It is likely that in the future I will take on another role serving Her Majesty's navy.

Thank to all of you who contribute to our fleet's excellence. And so, for now, I leave you with a toast: Ladies and Gentlemen, I give you duty, honor, and Sir Edward Saganami. The Tradition Lives!

JOHN NEITZ, KCR, MC, DSO
Vice Admiral of the Red, RMN
CO, 2nd (Gryphon) Fleet
Earl of Westmarch

DCO's Note

John Neitz is why I am in TRMN. I know that in this Fleet, that may not seem unusual - many of us can say that, either directly or because he recruited the person who recruited us.

In my case, it was direct, but not in person. I had joined the TRMN Facebook page and John chimed in to ask if I had joined the organization itself yet. I did a few days later, joining HMS Galahad, the sole Chicago ship at that time.

About that time, there was a push to get crests updated, and I chimed in that I could indeed do that, if HMS Galahad needed it. And suddenly I was 'active', and that activity led to the creation of HMS Tornado, to serve the south half of Chicagoland, in November, 2014, and my promotion to XO. A few months later, the original CO moved on, and I was promoted to CO, and then Tornado became HMS Odin, and with that came another promotion.

Then, in 2016, due to bad weather, I was the only one to make a gaming session at Admiralty House (then in Libertyville, IL), and the FLA asked if I could make it to MarsCon (MN) in a week or so. I could, and that one event started me down the path I am on now.

At MarsCon, we lined the halls for then-CAPTSG Bill Lochen's retirement as CO, HMS Invincible. I saw the number of different ships represented, and the number of representatives of those ships, and realized that in Chicago, it would be 1 from HMS Odin, 3 from HMS Gallant, and that was it. We couldn't muster 5 people in the region, much less off one ship. And that was the seed that became HMS Demon - a large chapter for everyone, so we could be a group on one ship, and a carrier so that we could better explain what we were (everyone gets 'carrier'...not many get 'light cruiser').

HMS Demon's creation put me back as XO, and when then-CAPTSG Sherman Day was elevated to CO, TF22, I moved to CO, then added CO TG22.1 as a second hat.

When Justin Grays formally resigned as DCO of Second Fleet last year, I tossed my beret in the ring. I honestly expected it to go to a specific few people in the MSP area, and so I was surprised to be accepted, and have spent the last year as DCO, learning from VADM Neitz, and simultaneously looking forward to and dreading this moment.

And here we are. But for better weather, I might not have known about (much less attended) MarsCon, and not seen so many of us in one place.

My path in TRMN has been one of trying to be where I am most needed at any given point - from serving as XO and then CO on HMS Tornado to stepping up to serve as DCO for the fleet.

My goal as the new CO for Second Fleet is to serve you, our members. Your ship COs, echelon COs and their XOs, Bosuns, and other leaders are among the best in not only the Royal Manticoran Navy, but in fandom in general. Trust them. I do.

I know it is weird to think of someone else's name as CO. VADM Neitz has been our fleet CO for seven years. He is himself an institution in this organization, and that will always be recognized. It is weird to me too.

DCO's Note

I hope we can continue to grow together. Second Fleet will remain a vital part of TRMN, and continue to be Second To None!

And my email is always open to everyone, for any reason. While I must encourage using the chain of command, if that isn't working, I can be reached any time at co@gryphonfleet.org.

Thank you, and now let's be about it!

Openings

With the change of command going into effect June 1st, there are some openings that we will need to get filled.

The first is Deputy Commanding Officer. The candidate should be eligible for promotion to Commodore. I would also like someone who can be available to assist members in person as much as possible. Command experience is helpful, but not required.

Second, I think we would benefit from a Chief of Staff. Someone who can keep everything organized and be on top of communications, needed reports, and so forth.

If these positions are of interest, please email me at dco@gryphonfleet.org.

Charity Tracking

Remember to send in any charity giving or activity - through TRMN or not - to our Charity Tracking Officer, Lieutenant Commander David Oliver Kling (intel@2ndfleet.trmn.org).

It isn't just money - we want to know if you volunteer your time too! Let us know, and we can even promote your charity here, helping get the word out to a wider audience!

Do you want to have your ship or your ship's activities featured in the next newsletter? Just send a writeup of what's happening or the word you need to get out, and we'll get that added into the next edition!

Let's get those stories in, and make this the must-read newsletter for everything Gryphon Fleet!

Commissioning Process Change

Buships Directive 1903-13: Streamlined Command Review Process, Local Level Participation.

Beginning 1 April 2019, requirements for determining Command Fitness necessitating two (2) endorsements to be supplied on behalf of any member wishing to take on the duty of a Command Triad position (CO, XO, or Ship's Bosun) as laid out in Bureau of Ships Directive 1806-01 (Adjustment of Criteria for Command Fitness) are rescinded.

Moving forward, any member wishing to take on the duty of a ship's Commanding Officer must have at least one (1) written endorsement/letter of recommendation from a member within their prospective chain of command. The list of eligible endorsing officers shall be limited to the following:

- Sitting Member of the Royal Council
- Space Lords and Deputy Space Lords
- Commanding Officer of the affected Numbered Fleet
- Deputy Commanding Officer of the affected Numbered Fleet
- Chief of Staff of the affected Numbered Fleet
- Affected Task Force Commanding Officer
- Affected Task Group Commanding Officer
- Affected Squadron Commanding Officer
- Affected Division Commanding Officer
- Chapter Commanding Officers in Proximity to the Affected or Prospective Chapter

IN LIEU OF AN ENDORSEMENT/LETTER OF RECOMMENDATION, the prospective CO may receive counseling from a member of the affected Task Group, Task Force, or Fleet command staff on the duties and requirements of a ship's commanding officer. After said counseling, the Division, Squadron, Task Group, Task Force, OR Fleet Command Staff Member (Fleet Commander, Deputy Fleet Commander, Fleet Chief of Staff) will submit a Statement of Counseling to BuShips, attesting that he/she feels the prospective CO understands the duties involved with the position of ship's Commanding Officer and feels that the prospective CO is up to the task.

Endorsements/Letters of Recommendation and/or Statements of Counseling must be addressed to the Office of the Third Space Lord (buships@trmn.org). Example Endorsements/Letters of Recommendation and Statements of Counseling will be available upon request to act as a guide.

The intention of this new process is to involve the Fleets and Echelons in their own growth by including them in the conversation with respect to approvals. This was the original process in the early stages of our organization's development, and we feel that a formal approach to this notion will help us understand how best to serve the Fleets and Echelons by encouraging engagement at those levels.

Library Silent Auction and Euchre Results

The Fundraiser for the library took place April 5th, and HMS Hotspur raised between the silent auction and the Euchre tournament over \$1500. The fundraiser was attended by the following crew: LCDR Michael Flanagan, Lt Debbie Fligor, Bosun Kevin Walsh, PO Daniel Lapine, PO Diana Flanagan, PFC Jayme Moore, Spacer Faith Eheart and Cadet Ranger Lance Fligor and Administrator Violet Lapine.

All crew performed in the highest traditions of the RMN and made their CO very proud!

Spacer Jared Hahn, who unfortunately was unable to attend, donated a number of games and shipped them at his own expense to help with the silent auction!
